As long as part of the foot is on the center line, it is not a fault. Any other part of the player's body that is in contact with the floor and that crosses the line is a fault. Any part of the player's body may be in the air below the net and beyond the center line without penalty unless it interferes with an opponent's legitimate effort to play the ball.

 - c. Successive plays of the ball by a player whose first play was an attempt to block shall be permitted. The second play shall be counted as the first of 3 hits allowed this player's team.
- G. A team shall not play the ball more than 3 times before it crosses the net except (A) when there is simultaneous contact by opponents, or (B) the first contact is an action to block when, in both (A) & (B), the team's next play is considered its first.
- H. The ball may be played with any part of the body above and including the waist.
- I. The court lines are a part of the playing area and are in play.
- J. A ball that contacts the ceiling or overhead obstruction shall remain in play provided (A) the ball hit the ceiling on the side of the net occupied by the team which played last, and (B) the ball is then legally played by the same team. The backboard and its supports will be considered out. If the ball comes in contact with the heating machine hanging from the ceiling, it will be considered in.
- K. Team time-outs may be called by either team while the ball is not in play. A time-out can be no longer than 30 seconds. Each team is allowed 2 time-outs per game.
